Experience:

• Senior / Lead Front—End Developer, Watson DG (September 2012 — Present)

I have led and collaborated on numerous projects for entertainment clientele. My work has contributed to 6 FWA awards, 1 Silver KeyArt Award, 1 Bronze KeyArt award, and 1 Awwward Site Of The Month.

• Senior Flash Developer, Stopp LA (September 2011 — September 2012)

Website, Facebook Application, and online campaign development and technical oversight. I worked with an international team of designers and developers from project pitch to production. We won 1 Gold ADDY for the Slim Jim Profiles Facebook App.

• Senior Flash Developer, 65 Media (February 2010 — September 2011)

Built websites, feature sites and mini-games for movies, actors, and other entertainment clientele. Notable projects and clients included the Toy Story 3 Toy Creator, Gnomeo & Juliet, Rio, Rihanna, Jim Carrey, Yeadley Smith, and Mark Sanchez.

• Flash Developer, Ayzenberg Group (March 2007 — February 2010)

Created XML-driven AS2 & AS3 Flash websites as well as banners and rich media for AAA video game companies. Performed video & sound design, video editing, and vector animation. Clients included Capcom, Atari, THQ, Square-Enix, Disney and Namco-Bandai. We won 1 FWA for The Chronicles of Riddick: Assault on Dark Athena.

• Web Designer & Developer, Revacomm Inc (May - August 2006)

Website design, LAMP development, and technical oversight for a range of projects in Honolulu, Hawaii. XHTML, CSS, and PHP using a number of CMS and eCommerce systems.

Education:

• Bachelor of Fine Arts, Loyola Marymount University (2003-2007).

Major: Multimedia Design. Minors: Computer Science (Multimedia) and Computer Science (CMSI).

• Graduate of Punahou School (High School, Class of 2003).
